

6 Gallons Gravit-Eye™ Sellstrom Gravity Flow Portable Eyewash Units

Self-contained 6 gallon gravity-flow eye wash unit uses gravity to deliver water through dual spray heads. Unit delivers over fourteen gallons (22.7 liters) of water for fifteen minutes, thus complying with the provisions of ANSI Z358.1 for eye washes. Unit has a rugged plastic tank that can be installed in a wide variety of locations. Unit is ideal for use where a continuous supply of potable water is not available, especially in remote plant areas, low traffic and/or low hazard areas
